Total:		159,536	notable downward movement				
Average boardings:		79,768	notable upward movement				

Station on Southwest Lines

Station on Southeast Lines

Station on West Line

Total does not match system ridership figures reported by Finance, due to figures above not including special trains for events and miscellaneous ridership not attributed to a specific station. However, special event riders on regular trains are included in ridership averages. Includes secondary effects of normal holidays and school vacations.

Covers period of Automatic Passenger Counts from January 3 through April 23, 2016.
